Support School Libraries and 21st Century Skills!

How can 5 minutes of your time ensure that Washington children receive the help they need to be successful in the 21st century?

1. Sign the online petition.

... asking our state leaders to fund school libraries and ensure that *every* WA child is taught 21st century skills.

Access petition here:

www.fundourfuturewashington.org

Please include a comment. (2 mins)

2. Call the State Task Force that is redefining what is funded as basic education.

(360) 586-3952

Ask that they include school libraries, information literacy, and 21st century skills. (3 mins)

THERE! Now you have made a difference in the lives of children all over Washington State!

We all thank you!
