World-Class Education for Washington:
Support School Libraries & Information Technology

www.fundourfuturewashington.org
Washington Coalition for School Libraries and Information Technology

This is a paper version of an online petition. Please do not sign if you've already done so online. Names will be transferred to the online petition.

We, the undersigned, call upon Washington State Legislators, Governor Gregoire, and the members of the Joint Task Force on Basic Education Finance to ensure that Washington students have full-time access to school libraries and a certified teacher librarian to provide a competitive education in information technology and literacy.
